**RE: Complaint against the Fort Bend County Democrat Party**

Dear Commissioners:

The Fort Bend County Democrat Party ("Democrat Party"), which is registered under Texas law but not with the Federal Election Commission, recently funded a voter guide that qualifies as federal election activity and contains several pages advocating the election of federal candidates. The expenditure was well over the threshold requiring federal registration, yet the Democrat Party has not registered or met any subsequent federal filing requirements. This failure to register and apparent failure to establish a federal account implicates numerous additional violations of federal law, in light of subsequent spending on federal election activities and administrative and overhead costs incurred in an election year with federal candidates on the ballot. I respectfully request that the Commission open an investigation into this matter and enforce the clear requirements of Federal law.

The Democrat Party mailed a voter guide to targeted county residents. A copy of the guide is attached as Exhibit A. The guide's front and back covers are advertisements for President Obama's re-election, and the guide contains multiple pages dedicated to federal candidates (specifically identifying and supporting Congressman Al Green and President Barack Obama). The guide also contains numerous appeals to support the Democratic Party, vote straight-ticket, and get out the vote. *See Exhibit A at 4-5 (voter registration activity); 14 (generic campaign activity and specific anti-Romney/Ryan message); 16 (straight party); 17 (get-out-the-vote); 19-20 (generic campaign activity); 22 (get-out-the-vote); 24-25 (pro-Obama, generic, and get-out-the-vote); 28-29 (get-out-the-vote).* All of these communications qualify as "federal election activity" under FEC regulations. *See 11 C.F.R. §§ 100.24 – 100.28.* On information and belief, these voter guides were mailed to targeted Democratic voters.<sup>1</sup> Consequently, in addition to the parts of the guide containing explicit advocacy for clearly identified federal candidates, the

partisan "federal election activity" communications also qualify as "expenditures" under the Federal Election Campaign Act. *See* 2 U.S.C. § 431(9)(A), (B).

**I. Failure to register as a federal political committee after spending more than \$1,000 to influence a federal election**

The Democrat Party's most recent report of contributions and expenditures filed with the Texas Ethics Commission shows an expenditure of \$7,790, dated September 4, 2012, to the Fort Bend Star for "printing expense" and "Voters Guide printing." *See Exhibit B*, "30th Day Before Election Report," at 22 (hereinafter "30 day report"). Because this disbursement is an "expenditure" exceeding \$1,000, the Democrat Party qualified as a federal political committee at least as of September 4, 2012. 11 C.F.R. § 100.5(c). Local party organizations "shall file a Statement of Organization no later than 10 days after becoming a political committee." *Id.* § 102.1(d). A search of the FEC's committee database reveals that more than a month after its registration deadline, the Democrat Party has not registered, in violation of federal law.

**II. Federal election expenditures illegally funded from state account**

The 30 day report also reveals an expenditure of \$12,000, dated September 5, 2012, to Premier IMS for "Newsletter and Voters Guide Printing and Mailing." Once a party organization has qualified as a political committee under Federal law, disbursements or expenditures in connection with a federal election may not be made directly from a nonfederal account. *Id.* § 102.5(a)(1)(i). Rather, any disbursement for federal activity must come from a federally registered account. The Democrat Party qualified on September 4, 2012, as a federal committee. Consequently, unless the September 5 expenditure was made from a federal account, it appears to have been made in violation of Federal law.

**III. Failure to file the monthly report due October 20, 2012**

Despite its failures to register and establish a federal account as required, because the Democrat Party became a federal political committee during September and had more than \$5,000 in disbursements for federal election activity, it was required to file a monthly report with the FEC on October 20, 2012. 2 U.S.C. § 434(a); 11 C.F.R. § 104.5(c)(3)(ii). A search of the FEC's database reveals that no such report has been filed, in violation of Federal law. The Democrat Party is therefore subject to an administrative fine by the FEC. *Id.* § 111.30.

1  
4044400212

**IV. Failure to fund federal election activity and overhead and administrative expenses with the required portion of federal funds**

As it appears the Democrat Party has established no federal account containing funds raised under the limitations of federal law, it cannot possibly be in compliance with the very specific requirements that certain "federal election activity" (including mailers such as the voters' guide) be funded either entirely with federal funds or with 36% federal funds, and that all overhead and administrative expenses be funded with 36% federal funds. 11 C.F.R. §§ 300.32, 106.7. Instead, these expenses necessarily are being funded entirely from the Democrat Party's state account, which contains funds raised without contribution limits and potentially from illegal sources, all in violation of federal law.

**V. Failure to include an appropriate federal disclaimer**

The voters' guide also fails to display an appropriate federal disclaimer as required on printed communications pursuant to 11 C.F.R. § 110.11(c)(ii).

I am aware of plans for further direct mail pieces intended to influence federal elections in the upcoming weeks, which in light of the Democrat Party's complete failure to register, establish a federal account, and raise funds under the limitations of federal law, will be illegally funded. I respectfully request the Commission investigate these violations of basic requirements of federal election law.

Sincerely,

Michael D. Gibson

Signed and sworn to before me this 24<sup>th</sup> day of October, 2012.

## Chairman, Fort Bend County Democratic Party

### FOUNT BEND IS READY TO TIP

Dear Fellow Democrats:

Welcome to our first ever Fort Bend County Democratic Party Voter's Guide!

You are receiving it because we recognize that you have been an avid supporter of Democrats locally, and we want to make sure that you are well informed on our candidates, clubs and platform leading to the 2012 November election. This election will be one of the closest in recent history. You have a real opportunity this election to *Be the Difference* in getting President Barack Obama re-elected, and turning Fort Bend Blue.

In Malcolm Gladwell's national best seller, *The Tipping Point*, he defines the dramatic moment when everything changes all at once, in an epidemic or social movement, as its "Tipping Point". In order to achieve this, it takes a common belief that change is possible and a commitment to small, incremental but impactful initiatives.

Fort Bend has been closing in on its Democratic tipping point for the last decade. We've seen in election after election the Republican margin gradually shrinking locally. President Barack Obama came within 5,600 votes of winning Fort Bend outright in 2008. In 2010, for the first time in 20 years the number of straight ticket Democrats outpaced straight ticket Republican voters.

Today more Fort Bend County voters are identified as Democrats than Republicans... 15,600 more! The belief that a tipping point is near for Democrats is real.

I hope you find this guide to be informative, and use it to start a dialogue in your home and community about our Democratic values and need to elect Democrats to offices throughout Fort Bend County.

# Have You Been Purged from The Voting Rolls? Check Your Voter Registration!

The Republican Party has been busy conducting purges of voters on the voter registration rolls in several states including Texas. The attempt by GOP Governor Rick Scott to purge 180,000 voters from the rolls is in litigation right now and preliminary review shows that 98.4% of the voters on the Florida voter purge list are legal registered voters who just happen to be mainly minority voters. The State of Texas is trying to get access to the same Federal database being used by Florida to purge voters.

More than 2.7 million living people who voted in 2008 have since been purged from the voter rolls. Among those, African American voters are 11.5 times more likely to be purged than Caucasian voters, nationally." Minorities and voters under the age of 40 and voters over the age of 65 are also far more likely to be the subjected of a voter purge.

While there is litigation pending in Florida on the voter purge, many Texans may not be aware that the Texas GOP is busy trying to purge 300,000 voters from the voter registration rolls. Watch out for voter registration cancellations.

## Purging the rolls

Many attempts to purge voter rolls from November 2008 to November 2010 targeted valid voters, data shows.

# Voter Suppression

## It CAN Happen Here!

"From Texas to Wisconsin to Maine, Republicans have launched an assault on voting rights. Their primary aim is to ensure their reelection—at the expense of the voting rights of eligible Americans, particularly persons of limited means, minorities, young people, and our seniors." — Donna Brazile.

The GOP has a long history of attempting to suppress the vote. Former Justice Rehnquist got his start in Republican politics as a member of a "ballot security" squad who challenged minority voters at the polls in Arizona.

In the past, other examples of voter suppression has been voter caging which is the practice of sending letters to voters hoping that all or some of these letters would be returned. The GOP would then challenge any voters who lived at the address of a voter whose letter was returned. In Michigan during the 2010 election, the GOP attempted to challenge any voters whose homes were foreclosed on. The Democratic Party has been successful in fighting these efforts and the Republican National Committee is subject to an injunction that prohibits the RNC from engaging in "ballot security" efforts other than normal poll watching.

In 2010, the King Street Patriots and their affiliate True the Vote, attempted to intimidate voters in Harris County by having "poll watchers" stand over, and attempt to influence, voters at polling locations. We expect these groups and other groups will be attempting to intimidate voters in Fort Bend and other counties. The Texas Democratic Party is suing the King Street Patriots, and will be monitoring their efforts.

In addition, the Department of Justice sent in election observers to Harris County in 2010 and we hope that the Department of Justice will send observers in the upcoming general election as well.

The best way to fight voter suppression efforts is the following:

1. Know your rights. See the Voter Bill of Rights on page 25 for an explanation of your rights as a voter.
2. Be diligent. If you see any examples of voter suppression contact the State Democratic Party or the Fort Bend Democratic Party at the numbers set forth below.
3. Help your Party to protect the Right to Vote. If you wish to help, the party will be training poll watchers in time for early voting and the general election. The best way to protect the right to vote is to have observers in place to protect the right to vote. You can volunteer to be a poll watcher by e-mailing: [Fortbendvoterprotection@gmail.com](mailto:Fortbendvoterprotection@gmail.com).

If you have any questions or problems, please call 512-478-9800.

# Teana Watson

## for 434<sup>th</sup> District Court Judge

Teana Watson is running for 434<sup>th</sup> District Court Judge in Fort Bend County. It is an elected position, few voters know, yet it is a position that has enormous local significance for the administration of justice here in Fort Bend County.

There are 6 District Court judges in the county, each serving terms of 4 years. These are the highest courts in the county and the courts hear cases ranging from civil to criminal matters. The 434<sup>th</sup> District Judgeship, is simply one of the six District Court Judgeships that have jurisdiction over Fort Bend county...

"I am running to bring my extensive background and 21 years of legal experience to the District Court in Fort Bend County, and continue my record of making a difference in the lives of the people in need of justice. My campaign is about the vision I can bring to the Fort Bend Judiciary. A vision that includes better programs for persons on community supervision and more resources for persons in the legal system who suffer from mental illness. My goal is to help make our community better and safer for everyone! As judge, I will maintain a presence and remain connected to the community."

Teana Watson is an attorney with over twenty one years of legal experience. She worked as a prosecutor in multiple counties, including Fort Bend, before opening up her private practice. She also served as a municipal court judge in Stafford, Texas from 2002-2010. She has worked as a prosecutor and a defense attorney, and has a clientele that includes juveniles, teachers, court appointments, and parents. Her extensive legal experience makes her uniquely suited to hear and fairly decide the plethora of cases that would come before her, if elected.

Teana Watson is a native Houstonian and proud 1982 graduate of Jesse Jones' High School Vanguard Program. After high school, Teana graduated with honors from Fisk University in Nashville, Tennessee in 1986. Two of her most memorable collegiate accomplishments were studying as a Sloan Fellow at Princeton University and pledging Delta Sigma Theta Sorority Inc. During law school at Syracuse University, Teana was chosen out of thousands of applicants to intern for the prestigious Manhattan District Attorney's Office in New York, New York. Tired of shoveling snow, Teana returned home after law school to become licensed as an attorney in Texas, married Ricardo Watson and began her career in the Fort Bend County District Attorney's Office, where she was later promoted to Chief of the Juvenile Division. She is a long time Fort Bend County resident of over twenty years. Currently, she lives in Missouri City with her husband, two sons, Ricky and Cordell, and the family dog, Buddy.

Justice requires a sense of fairness and of understanding. Teana promises to have both.

This November, please remember to vote for Teana Watson! For information about the campaign and what you can do to help, visit her website at [www.TeanaWatsonForJudge.com](http://www.TeanaWatsonForJudge.com).

# Sergeant Michael Ellison

## Candidate for Fort Bend County Sheriff

"It is an honor as well as a privilege to bear the title, "Public Servant".

Michael Ellison grew up in the Southwest Houston area, where he attended schools in the Houston Independent School District. His deep family ties allowed him to spend his summers in Fort Bend County. He met his wife, Rossiline, in middle school and has been married to her for 27 years. Ellison is a strong advocate of family and commitment. He and Rossiline currently reside in the Sugar Land area. They have two grown children, Shannae and Michael II, one son-in-law, Anthony Mathis Jr., as well as two grandsons, Anthony Mathis III and Javion Michael Mathis.

Michael Ellison is a man of strong faith. He is the proud Pastor of Zion Hill Missionary Baptist Church, located in Richmond. He has been a preacher for over 17 years and Pastoring Zion Hill for the past 10 years. Rev. Ellison has a true shepherd's heart; serving people is what he has dedicated his life doing. He received his Bachelor of Arts in Religion at Faith Evangelical Seminary, Tacoma, WA, where he is a candidate for Master of Arts in Theological Studies. His educational background includes: The College of Biblical Studies' in Houston, TX.

For the past 27 years, he has been employed with the Harris County Sheriff's Office, where he has been a Sergeant for the last 10. Sergeant Ellison has an extensive background and experience in Law Enforcement. He also continues to progress as a Supervisor by motivating others to function at a higher level of excellence. He exudes professionalism; integrity and high moral standards as was demonstrated on August 4th, 2011, right here in Fort Bend County when Sergeant Ellison confronted a group of armed robbers during a bank heist and exchanged gunfire with one of the suspects. Ellison sustained multiple gunshot wounds. His concern for the safety and welfare of others was far greater than for himself. This is, and was, the climactic event that brought on his decision to run for the Office of Sheriff in Fort Bend County.

# M. E. "Skip" Belt FOR Fort Bend County Attorney

My name is Morris E. Belt, Jr. but my friends and family call me "Skip".

I support the Platform of the Democratic Party and I am thankful for the leadership and vision of our President, Barack Obama. I am running for local county-wide office and urge all Democrats and free thinking independents to vote for me as your next County Attorney of Fort Bend County.

My wife, Judy, and I are both native Texans. We have lived in Fort Bend and Missouri City for 36 years and have always been active in community and civic events. I am passionate about soccer and manage a league and club.

I am a graduate of the University of Texas in Latin American Studies and Law School. I have supplemented my education with graduate business courses with NYU and Houston Baptist University. I am bilingual English/Spanish. I have practical experience as an international banker, and as general counsel and risk and insurance manager for an international oil drilling contractor.

I have been a lawyer for 41 years both as a corporate officer and private practice. In the public sector I have served two terms as a City Councilman of Missouri City. I continue as a member of the Tax Increment Reinvestment Zone #1.

My education and experience in the private sector has given me a broader background and perspective of my role as County Attorney that will be a plus for the County and the taxpayers. I know I can do a better job and save the County money both on the operation of the office and the benefits it will bring to the County as a whole.

Currently the County Attorney plays a limited and passive role of resolving legal problems as they occur. The County Attorney does little to anticipate or identify risks or practices that lead to these lawsuits. Furthermore his common practice is to outsource the defense of the County to expensive outside law firms.

I wish to change the role of the County Attorney to benefit the citizens of Fort Bend County by being more Pro Active and independent to lower the cost of County Government while also improving the morale and efficiency of its departments.

1. Encourage the adoption of a Civil Service Plan for County Employees as was recently approved for the Sheriff's Department which will improve employee morale, assure meritocratic promotion, allow redress against arbitrary dismissals or punishments, and also avoid costly employee lawsuits.

I am guided by the law, the truth, and fairness. I am respected by people in both political parties and independents. I am not

# Julia Maldonado Justice, 14th Court of Appeals, Place 8

A practicing lawyer for fourteen years, Maldonado subscribes to the ethos that a judge should be an impartial arbiter. People should have complete confidence that their matter is going to be heard by a judge whose only agenda is to do what the Constitution and law require a judge to do. She earned her undergraduate degree from the University of Houston and is a 1998 graduate of the Thurgood Marshall School of Law - Texas Southern University.

"It is time for me to do my part in making sure that our appellate court benches are staffed by persons who have the utmost integrity, a supreme devotion to the rule of law and the intellectual capacity to fairly and efficiently administer justice. A judge's rulings must not be based on what lawyer is representing what party, or what connections or affiliations the parties may or may not have."

The Fourteenth Court of Appeals hears appeals in civil and criminal cases but does not include capital murder cases. The Court serves the millions of people who live in Austin, Brazoria, Chambers, Colorado, Fort Bend, Galveston, Harris, Grimes, Waller and Washington Counties.

FOR JUSTICE

# Barbara Gardner JUSTICE, 14TH COURT OF APPEALS, Place 3 FOR

"Lady Justice is blind and the scales She holds are balanced."

After practicing law for over 30 years, I am running for the 14th Court of Appeals because the Courts of Appeals are not applying the law fairly.

The 14th Court of Appeals is heavily skewed toward big business against individuals. Following my graduation as #1 in my law school class, I started my career as a law clerk for Federal Judge Carl Bue, who followed the law in every decision he made. Courts today do not always do that. I want to return to the traditional approach - following established law.

The 14th Court of Appeals lacks balance. All of the nine justices are Republican, and seven of the nine justices on the 14th Court of Appeals represented the interests of big business against individuals prior to coming on the court, including my opponent who was recently appointed to the court by Gov. Rick Perry. Of the nine Republican Justices, five were appointed by the governor, not elected.

The 14th Court of Appeals issues opinions that are biased against individuals and small business. Judges are supposed to apply the law without bias. However, they cannot help being influenced by their political beliefs. Years of slanted experience in working to defeat the rights of individuals influences the all-Republican justices' attitudes, and decisions are necessarily influenced by attitudes.

Democratic representation on the 14th Court of Appeals is necessary to insure just administration of the law.

I am board certified by the Texas Board of Legal Specialization in Labor & Employment Law. I have represented hundreds of people who have been wrongfully terminated, and I have never lost a trial on behalf of an employee who was terminated. It is a "David and Goliath" practice, but I fight for what is right. I also represent small to medium sized companies to help them avoid litigation and to properly manage their employees.

## My Background

I grew up in East Texas in a working class family and was taught good American values. I put myself through college and law school, where I graduated at the top of my class. After clerking for Federal Judge Carl Bue, I went to Bracewell & Patterson (now "Bracewell & Giuliani") I am now a partner at Tucker, Vaughan, Gardner, Barnes & Garcia where I practice today.

Fort Bend County is one of the most critical counties for me to carry in the 10-county district for the 14th Court of Appeals - but I need your help! I can do the traveling to promote the fairness that we need to return to the Courts of Appeals. I ask for your volunteer time, your donation, and, most of all, for your vote on November 6.

# Natalia Cokinos Oakes

Justice, 1st Court of Appeals, Place 7

## Attorney, Teacher, Community Leader

The 1st Court of Appeals sorely needs justices with diverse views and experience — justices who can provide deeper insight and perspective

into the cases before them.

Family Law is just one area that is not well represented on the court and is an area of expertise I will impart as Justice.

Corporations often view a trial as merely a “bump in the road” on the way to the Court of Appeals where, they believe,

they are likely to be granted the legal decision they desire.

A Court of Appeals with justices who reflect only certain segments of the law and population reinforces this belief.

We have an important opportunity during the 2012 elections to level the playing field so that all who come before the 1st Court of Appeals are treated equally.
